

INVITATION ProSME Information Webinars

*Supporting European
SMEs to participate in
public procurement
outside EU*

Walloon Export and Foreign
Investment Agency – Business
France – Basque Trade and
Investment

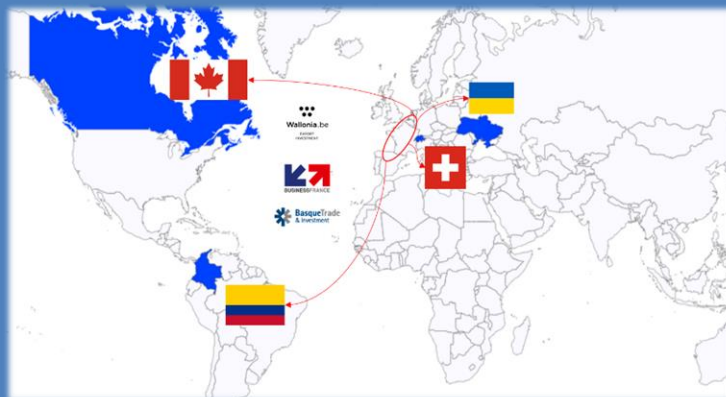

SAVE THE DATE !

SWITZERLAND: Wednesday 9th February 10:00 am CET

COLOMBIA: Wednesday 9th February 3:00 pm CET

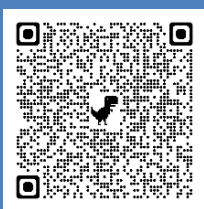

UKRAINE: Thursday 17th February 9:00am CET

CANADA: Tuesday 22nd February 3:00 pm CET

Dear Walloon, French and Basque SMEs, you are invited to our **four information webinars** dedicated to **public procurement opportunities in Canada, Colombia, Switzerland and Ukraine**. Your company will be given **major and concrete information** on public procurement. Organised by our local teams, **each webinar will last for 1h30** and host the interventions of **several speakers**, including:

- o *Switzerland:* **Natalie Sleeman**, Head of Sector Trade and Economic Affairs, EU delegation
- o *Colombia:* **Diana Cecilia Cardona Restrepo**, Colombian National Infrastructure Agency (ANI)
- o *Ukraine:* **Oleksandr Shatkovskyi** (tbc), public procurement expert
- o *Canada:* (tbd)

Please register by [clicking here](#) or scanning the QR code. After your registration, you will be given the **links, meetings' IDs and codes** and thus be able to **access one or several events**. Seats are limited, so register quickly and become part of the project! We look forward to your registration and participation.

ProSME

ProSME is a long-term project (2022-2024) funded by the European Union and managed by an international consortium composed of the Walloon Export and Foreign Investment Agency (Belgium), Business France (France) and Basque Trade and Investment (Spain). Its goal is to support European SMEs to participate in public procurement outside EU, namely in Canada, Colombia, Switzerland, and Ukraine.

European Union Grant Agreement number 101033974
